DANEVICZ OF TMP RECEIVES ARCHITECTURAL REGISTRATION

Bloomfield Hills, Mich., May 1, 2009 — Julie Danevicz, AIA, LEED AP, of Bloomfield Hills based TMP Associates, Inc., has passed her state licensing exams and has received her architectural registration in the state of Michigan.

Danevicz joined TMP as an architectural intern in January 2003. After receiving her degrees from Ball State University, Muncie, Indiana (Bachelor of Architecture and Bachelor of Science in Environmental Design), she joined the firm as a full-time graduate architect in 2004. Danevicz lives in Troy.

At TMP, she has been involved in various educational and recreational projects including a new Wrestling Facility for the University of Michigan, the new Yuma Community Pool in Yuma, Arizona, as well as K-12 educational projects for Birmingham Public Schools, L'Anse Creuse Public Schools and Utica Community Schools. She is currently working on the design team for a new Health Sciences Facility for Saginaw Valley State University.

TMP, celebrating its 50th anniversary this year, has offices in Bloomfield Hills and Portage, Michigan as well as Columbus, Ohio. The firm serves a variety of clients including K-12 educational, college / university and municipal. Recent projects include two new LEED Silver Certified High Schools: Whitmore Lake High School and Ann Arbor's Skyline High School. Some of the firm's current projects include the Wharton Center for the Arts Addition and Renovation at Michigan State University, the Battle Creek Central High School Remodeling and Addition project and a new recreation center for the City of Dearborn Heights.
